Fisher College Scholarship Program for Boston Residents	Financial Scholarships for students from the City of Boston	Nearly \$3.7M to City of Boston residents, average award of \$15,801.	Cash	Ongoing	234 Boston area students, most of them representing minorities, for the current academic year.	Fisher College	City-wide	Education	
College 101	College 101 is a program designed to provide college courses for rising seniors in the Boston Public School System. This is a 6-week summer program where students enroll in a 3-credit college course taught by a college instructor and a peer mentor who provides assistance and support. Full access to the College facilities, including library are provided. Students are then offered a free 3-credit class during their senior year, both fall and spring. This program allows the participants to graduate from high school with 9 college credits that can be transferred to the college of their choice.	Fisher College 2019 direct budget was \$35K plus about \$5k in catering for orientation events and graduation. Free college credits and available scholarships total about \$150k.	Both	Ongoing	Throughout the years over 600 Boston Public School students participated as well as multiple BPS faculty. Students were recruited from three different Boston Public high schools this year: Boston Community Leadership Academy, East Boston High School, Fenway High School. The program has excellent graduation rates exceeding 90%. 86% of participants went on to college.
